You've got to  
You've got to  
You've got to  
You've got to

Tape ain't gonna fix it  
Honey, it ain't gonna stick  
Tape ain't gonna fix it  
Honey, it ain't gonna stick to you

Six kinds of glue  
Won't hold you, won't hold you  
Oh my oh, oh my

You've got to  
You've got to go straight ahead  
You've got to  
You've got to go straight ahead

You've got to  
You've got to go straight ahead  
You've got to  
You've got to go straight ahead

Time ain't gonna cure you  
Honey, time don't give a shit  
Time ain't gonna cure you  
Honey, time's just gonna hit on you

I said, "Time ain't gonna cure you  
Honey, time don't give a shit"  
Time ain't gonna cure you  
Honey, time's just gonna hit on you

You've got to  
You've got to go straight ahead  
You've got to  
You've got to go straight ahead

You've got to  
You've got to go straight ahead  
You've got to

You've got to go straight ahead

And time ain't gonna cure you  
Honey, time don't give a shit  
Time ain't gonna cure you  
Honey, time's just gonna hit on you

I said, "Six kinds of glue  
Won't hold you, won't hold you"  
Oh my oh, oh my you've got to  
You've got to, you've got to

You've got to go straight ahead  
Go straight ahead  
You've got to  
You've got to go straight ahead

You've got to  
You've got to go straight ahead  
You've got to  
You've got to go straight ahead

You've got to  
You've got to go straight ahead  
You've got to  
You've got to go straight ahead

You've got to  
You've got to go straight ahead  
You've got to  
You've got to go straight ahead
