If you're looking for the ride of your life
You came to the right place at the right time
To get it tonight

Sit down
Strap yourself and
And hold on tight

Seek a peep
Let it go
Welcome to the peep show

I'm feeling sexy, sexy (sexy)
Sexy is my middle name
Just leave it sexy, sexy (sexy)
Deliver reasons why you can't

You won't let me, let me (let me)
Let me get inside your brain
Let me do my crazy things

You know I'm over the alter fan positions, honey
I like working all the time
Don't even need your money

It would water it down
Holding you down
So don't blame me and you
I'll be your ticket to the ashes

If you're looking for the ride of your life
You came to the right place at the right time
To get it tonight

Sit down
Strap yourself and
And hold on tight

Seek a peep
Let it go
Welcome to the peep show

I'm feeling sexy, sexy (sexy)
I'm like your piece that is hard to tame

I'm patient sexy, sexy
You be the hunter
I'm your game

You would get me, get me (get me)
Use your scope and take your aim
Watch me do my crazy things

You know I'm over the alter fan positions, honey
(I like working)
I like working all the time
Don't even need your money

(Water it down)
It would water it down
Holding you down
So don't blame me and you
I'll be your ticket to the ashes

If you're looking for the ride of your life
You came to the right place at the right time
To get it tonight

Sit down
Strap yourself and
And hold on tight

Seek a peep
Let it go
Welcome to the peep show
(Welcome to the peep show)

If you're looking for the ride of your life
(Ride of your life)
You came to the right place at the right time
To get it tonight
(Get it tonight)

Sit down
Strap yourself and
And hold on tight

Seek a peep
Let it go
Welcome to the peep show

Just so you know

(Just so you know)
I'm in control
(I'm in control)

This is just for show
But if you're lucky
You can touch me
And take me home

If you're looking for the ride of your life
You came to the right place at the right time
To get it tonight

Sit down
Strap yourself and
And hold on tight

Seek a peep
Let it go
Welcome to the peep show
(Welcome to the peep show)

If you're looking for the ride of your life
(Ride of your life)
You came to the right place at the right time
To get it tonight
(Get it tonight)

Sit down
Strap yourself and
And hold on tight
