Put it in your pocket
Put it in your pocket
Put it in your pocket
Pocket rocket, pocket rocket

Put it in your pocket
Pocket rocket
Put it in your pocket
Pocket rocket
Put it in your pocket
Pocket rocket, pocket rocket

I take it out
I pop the top
And then I twist it

I look from side to side
I got to have
But it could be risky

Leave home without it
Wouldn't throw it
Make it bubbly

I pull it out
Give it a touch incase
I want to get risky

I can't help myself
When I'm in need
Are you good enough to stop me

Pocket rocket
All the girls got
Pocket rocket
Okay don't really needed
Pocket rocket
Pop it, lock it
Pocket rocket
A pocket rocket

Pocket rocket
All the girls got
Pocket rocket
Okay don't really needed
Pocket rocket
Hope I didn't steal it
Pocket rocket
A pocket locket

Put it in your pocket
Pocket rocket

I got a hundred different shades
In my collection

Which one I'll take with me
Then I don't know
Also tempting

Just fill it out
Don't be so quick
With your selection

Go big and loud
No need to worry
Cause it feels so friendly

I can't help myself
When I'm in need
You ain't good enough to stop me

Pocket rocket
All the girls got
Pocket rocket
Okay don't really needed
Pocket rocket
Pop it, lock it
Pocket rocket
A pocket rocket

Pocket rocket
All the girls got
Pocket rocket
Okay don't really needed
Pocket rocket
Hope I didn't steal it
Pocket rocket
A pocket rocket

Pocket rocket
All the girls got

Pocket rocket
Okay don't really needed
Pocket rocket
Pop it, lock it
Pocket rocket
A pocket rocket

Pocket rocket
All the girls got
Pocket rocket
Okay don't really needed
Pocket rocket
Hope I didn't steal it
Pocket rocket
A pocket rocket

Put it in your pocket
Pocket rocket

I take it out
I pop the top
And then I twist it

I take it out
I pop the top
And then I twist it

I take it out
I pop the top
And then I twist it

I'm talking about my lipstick

Pocket rocket
All the girls got
Pocket rocket
Okay don't really needed
Pocket rocket
Pop it, lock it
Pocket rocket
A pocket rocket

Pocket rocket
All the girls got
Pocket rocket
Okay don't really needed
Pocket rocket
Hope I didn't steal it
Pocket rocket
A pocket rocket

Pocket rocket
All the girls got
Pocket rocket
Okay don't really needed
Pocket rocket
Pop it, lock it
Pocket rocket
A pocket rocket

Pocket rocket
All the girls got
Pocket rocket
Okay don't really needed
Pocket rocket
Hope I didn't steal it
Pocket rocket
A pocket rocket

Put it in your pocket
Put it in your pocket
Put it in your pocket
Pocket rocket

Put it in your pocket
Put it in your pocket
Pocket rocket
Put it in your pocket
Pocket rocket
