Psy-psy-psy-psycho who ou ou

You play the gentleman role
But I'm not into it, it
You walk around opening doors
But I don't a shit
You put your jacket in a puddle
So I won't get wet, wet
But that's not the kind of treatment I expect

Cause I, I, I...
I, I, I, I ain't used to the nice
You show them how to kind of
I like mine to come with a fight
And I apologize that you're the one
Who's paying the price
I need a real heart breaker in my life

So if you love me, love me, love me
Like a psycho
It's the only, only
Kinda love that I know

Break me till my eyes bulge
Try me til my skins cold
Love me, love me, love me
Like a psycho

Psy-psy-psy-psycho who ou ou
Psy-psy-psy-psycho who ou ou

Break me til my eyes bulge
Try me til my skins cold
Love me, love me, love me
Like a psycho

You light the fire place and candles
When we're intimate-ate
You wanna slow jam
Play it when you're hittin it
But if it doesn't leave me broken

I'm not into it, it
Can't change me now
I've already been bit

Cause I, I, I...
I, I, I, I ain't used to the nice
You show them how to kind of
I like mine to come with a fight
And I apologize that you're the one
Who's paying the price
I need a real heart breaker in my life

So if you love me, love me, love me
Like a psycho
It's the only, only
Kinda love that I know
Oh, oh

Break me til my eyes bulge
Try me til my skins cold
Love me, love me, love me
Like a psycho

Psy-psy-psy-psycho who ou ou

Break me til my eyes bulge
Try me til my skins cold
Love me, love me, love me
Like a psycho

Psycho love, psycho love
In my heart, through my blood
Pumping, I can't get enough
Psy-ah-ah, psy-ah-ah
In my heart, through my blood
Pumping, I can't get enough

So if you love me, love me, love me
Like a psycho (Psycho)
It's the only, only kinda
Love that I know
Oh oh (Love me)

Break me til my eyes bulge
Try me til my skins cold
Love me, love me, love me
Like a psycho

So if you love me, love me, love me
Like a psycho (Love me)
It's the only, only kinda
Love that I know
Oh oh (I know)

Break me til my eyes bulge
Try me til my skins cold
Love me, love me, love me
