"Walk Of Shame"

Visit "[Walk Of Shame](#)" on MotoLyrics.com

Hair is all tattered
Thoughts are all scattered
Honestly I don't even know
Where I am

Trying to keep quiet
Hope he didn't like it
Woulda left a note
But then he'd know
Who I am

Aw damn
Aw damn
Aw damn

I think I messed up
And did it again
Aw damn
I am the victim of a
One night stand

I thought I wanted it
I knew he wanted it
Now I'm regretting it
Because I can't remember it

And now I'm freaking out
Nothing to speak about
Just can't explain
The walk of shame

Like a oh
I'm so ashamed
Like a oh
And I'm the one to blame
Like a oh, oh, oh, oh
Just can't explain
The walk of shame
(I'm not, I'm not ashamed)

Smell is still on me

Gotta do the laundry
Couldn't bare the headache or heartache
Again

Feeling such a wreck
Losing my respect
Plus I lost a heel
I borrowed from my good friend

Aw damn
Aw damn
Aw damn

I think I messed up
And did it again
Aw damn
I am the victim of a
One night stand

I thought I wanted it
I knew he wanted it
Now I'm regretting it
Because I can't remember it

And now I'm freaking out
Nothing to speak about
Just can't explain
The walk of shame

Like a oh
I'm so ashamed
Like a oh
And I'm the one to blame
Like a oh, oh, oh, oh
Just can't explain
The walk of shame

No, I'm not embarrassed
Must admit it
Yes, I did it again
Oh, I gotta face it
Can't erase it
From my memory

No, I'm not embarrassed
Must admit it
Yes, I did it again
Oh, I gotta face it
Can't erase it
From my memory

I thought I wanted it
I knew he wanted it
(Wanted it)
Now I'm regretting it
Because I can't remember it
(I can't remember)

And now I'm freaking out
Nothing to speak about
Just can't explain
The walk of shame

Like a oh
I'm so ashamed
Like a oh
And I'm the one to blame
Like a oh, oh, oh, oh
Guess I'll start my day
With the walk of shame

Like a oh
I'm so ashamed
Like a oh
And I'm the one to blame
Like a oh, oh, oh, oh
Guess I'll start my day
With the walk of shame

I thought I wanted it
I knew he wanted it
Now I'm regretting it
Because I can't remember it

And now I'm freaking out
Nothing to speak about
Just can't explain
The walk of shame
