The following is a story of how the North Hollywood
Shootout

Would have taken place if the criminal mastermind X
was introduced....

(Chorus)

=This is my way, this is my way
=Criminal mastermind, I dont play
=North hollywood this faithful day
=Dont care what crime, long as im paid

(Verse 1)

-This is my way, I woke up about 2
-North hollywood, just me and my dude
-Bout to get rich, cant nobody stop us
-He said he would do it, I dont wanna shoot a coppa
-He opened up da dufflebag, emptied out da sack
-Guns on the sheets, yea he handed me da mac
-Clips in my vest, ak on my back
-Im thinkin should i really do this for some stacks
-Strapped on the vest, and proceeded to load
-Heard a rumor the vaults packed with gold
-Or was it diamonds? I really dont know
-My thoughts racin as I close the back door
-Oh wait, i yelled to my cuz
-Ran back in, had left the eagle on the rug
-Sat down in da white sedan
-Said lets do it, head down. pray into my hands

(chorus)

(Verse 2)

-Pulled up to the bank as I finish my prayer
-Leaned up, and slide the mask on my head
-Im gona be famous dont matter if im dead
-Partner sayin, lets stay alive instead
-I said man F it dawg, parked beside da big truck
-Walked to the front door, he shot da guard up
-I yelled get down! Everybody ducked
-Said to the boss, the vault, open up
-He made is way slow, scared and shakin
-I said, im scared too. It'll be ok man

-Read his name tag, his name was stan
-Im thinkin, a great song by eminem
-Got refocused, safe wide open

-Told him get the cash, check for diamonds
-While we was talkin, a hostage ran
-Opened up the bank door, shot him in the head
-He fell to the ground, i saw police comin
-I said hurry up! Saw my friend runnin
-Ran out the back door, had another car
-An all green chevy, with rims like stars
-Robbin a bank, is more fun than a bar
-Cops surroundin us, yellin get out the car!
-I straight up gunned it, hit 0 to 60
-Sirens yellin, got bullets racin me
-Turned into a backstreet, drove into a driveway
-Cops screamed past, headin towards the highway
-Listened to the CV, they said we're goin west
-Our compass said north so i took a deep breath

(Chorus)

(Verse 3)

-Now we're sittin here, a ton of stolen moola
-Backed out the driveway and headed to the coola
-DIRECTION, highway full of bacon
-Good for us, my house was right down the street
-Went into the driveway, finally home free
-But it went bad, friend looked at me
-Quickly turned the pistol on me
-He said yea dawg, im takin all this
-Man, u know i got a kid
-I said to him wait, can i die with respect?
-He took the AK, and the mac from my belt
-I got out the car, then i kneeled down
-On his way out, lost balance, hit the ground
-Reached into my left back pocket, he was melted
-5 rounds from my eagle, and he was nothin...
-Cleaned up the remains, spit on his face
-Shoulda been cool, we were at the home base
-Heard sirens. My face went white
-I knew this was gona be one long night
-Reloaded my gun, looked out the window at the sight
-Put the gun to my head and then I...
