(Chorus)

-Do you ever wonder wats out there?  
-Who does what, and why the truth isnt here?  
-Where that guy go? Black monte carlo  
-They stalkin my moves, but imma bring u da truth  
dawg

(Verse 1)

-Da gov, they dont want us to know  
-Anyone whoever tells, gettin framed for coke  
-Anyone who ever speaks, gets a sock in da throat  
-Abductions, from ET to da feds and so -- on  
-I wonder why noone else raps about it  
-I heard jada talkin about da towers fallin  
-I said forget it imma tell it too, imma tell it all  
-Tell da world the truth  
-Tell you that missiles hit the pentagon  
-Tell you what was the reason  
-Dont ask me why I must train with guns  
-I'll tell you that the end is comin soon son  
-Hard times now -- cant trust da law  
-Bush made da twin towers fall  
-why? for money and power  
-can you explain why bombs went off that hour?  
-bombs on all floor, not just one  
-The planes weren't marked, not UA son  
-They framed afghans osama bin ladin  
-Thats why he was gettin healed by our american  
doctas  
-We're fightin for oil, and not our honor  
-Frowned upon by our fore fathers  
-Im comin to u straight, yea I'm tellin da truth  
-How come ya countries hidin stuff from u?  
-From now on, lets make demands  
-Start wit bringin our troops in  
-If our voice is loud then they gotta listen  
-This is a broadcast from my heart, do you dig it?

(Chorus)

-Do you ever wonder wats out there?  
-Who does what, and why the truth isnt here?  
-Where that guy go? Black monte carlo

-They stalkin my moves, but imma bring u da truth  
dawg

(Verse 2)

-Jersey, Scotland in may  
-Sightins from cali to santa fe  
-They come when u least expect  
-I'm thinkin who is gone be next?  
-Gotta keep that camera on deck  
-Gotta keep ya mind ready every sec  
-Take a picture, but dont fake da set  
-If you do, thats a bitch move  
-Fame aint comin from store bought frog shoes  
-Throw out them fake bear boots  
-Halloween for that fake wig doo  
-U know what u saw, so stand by it  
-Dont let the MIB get you to be quiet  
-Say it like me, say it loud and clear  
-Ive lived life in partial fear  
-Seen things, I saw em crystal clear  
-Told things, SS on my rear  
-Heard things, i keep a twitchin ear  
-psychics, most fake but some sincere  
-It might been da missin link, and not a deer  
-Might be da voice of a ghost, and not your ears  
-O well, better luck next time  
-At least now you'll think and wonder from my rhymes  
-Come on, tell your story, since it aint a crime  
-Its more like a thorn in your side

(Chorus)

-Do you ever wonder wats out there?  
-Who does what, and why the truth isnt here?  
-Where that guy go? Black monte carlo  
-They stalkin my moves, but imma bring u da truth  
dawg

(Verse 3)

-Nessy, bigfoot and chupra  
-All are my friends, and friends of Oprah  
-Up north they got griffins and stalks  
-Down south u got gorillas and hawks  
-Either way, its all paranormal  
-Santa, i dunno. The tooth fairy is formal  
-A formal lie, and so is cupid  
-Got shadow people haunting Massachusetts  
-Jump, clap, kabam! watch your back at night  
-New jersey devil and you walk side by side  
-A little horse, just like a minotaur  
-Killed in the greek days by centaurs  
-Mutated dogs and a rain full of frogs

-Can u get anymore un-nerved?  
-You never thought any of this existed  
-Tell me, why is this world so twisted?  
-A myth? maybe a globe full of snow?  
-Try fact of fiction, i pick fact my foe  
-Giant fish comin from all shores  
-Ghosts in your house haunting every floor  
-Dead friends appearance at your front door  
-I know things, i will not die with it all bolted in  
-Rapanormal just loosened the hinges..  
-I'm free (laugh)

Thats my conclusion to rapanormal, keep your eyes  
open.. peace to ya's.. Good luck
