(verse)

It's a state of emergency, you bring my body into
ecstasy,
It's a state of emergency, A total meltdown of the
century,
Ooh! Ooh!

(talk)

It's a code red...I need to have you in my bed,
It's a code red... tell me did you hear what I said?

(chorus)

'Cause don't U know that I'm on fire ! Fire !
You burn me with desire, when you take me higher,
don't U know that I'm on fire ! Fire !
You burn me with desire, when you take me higher,
Don't you know that I'm on fire!

(repeat verse)

(repeat talk)

(chorus)
