Just the thought of ever losing you
Brings tears to my eyes
You have always stood by me
And seen right through my disguise
Never have you done something that's hurt me, hurt
me in any way
That is what makes our connection, so deep, come
what may
You get through to me without saying, saying a single
word
Don't you know you are sooo dear to me
As I know I am dear so to you
For you are ã€ˆ! you are ã€ˆ!

(chorus)

My saviour, my guardian angel
My mentor, my greatest teacher
My hero and my bodyguard
My one and only Dad

It is so hard to put into words
All that you mean to me
I have only one true wish
To make you eminently proud of me
Yes, I want you to know, that I dedicate you my life
And when you'll move on, it'll cut me more than a knife
'Cause don't you know that you are ã€ˆ! you
are ã€ˆ!

(chorus)

My saviour, my guardian angel
My mentor, my greatest teacher
My hero and my bodyguard
My one and only Dad

Your very essence will always flow through, always
flow, through my veins
And all of my, memories of you, always will remain
It is hard for some people, to understand our bond
But the respect I have for you, goes so far and beyond
That is why you should know
You should know that you are ã€ˆ!

(chorus)
My saviour, my guardian angel
My mentor, my greatest teacher
My hero and my bodyguard
My one and only Dad
