Verse

If you're a woman or a man
A girl of a boy
There's no turning back
Now, don't be coy
Can you feel it inside
The emotions that collide
Pleasure is for you and me
Love, is our destiny
Now it's up to you to decide
Do you want to ride, ride, ride?

Chorus x2

On the roller coaster of life
Everybody get up, everybody get down
Roller coaster of life
You give and take, you laugh you cry
On the roller coaster of life
Everybody get up, everybody get down
Roller coaster of life
You give and take, you laugh you cry

Repeat verse

Repeat chorus
