Blood will spill all of the night, punk
All these hoes, I have to hit once
Crack or blow, you got to try one
Got ten blunts, I got to light one
So what you gonna do, get high or what?

(LIGHT TIGHT) Son his ass, punch him by his ear lobes
(KNIFES SLICE) Cut his ass, gut him right in here yo
(MAD BITES) Don't let your parents know you blow crack

[Verse 4]

You can't stay awake. You hate the way you think

You blaze and blaze for days
You contemplating ways to put 38s to brains
Look who I made insane. Move and I break you frame
I'm gruesome with hand grenades
You choose to shoot thangs and thangs
We lootin you, take your chain
We touch you with crazy gangs
We'll do you like candid AIDs
We'll screw you till man it's made
Do you till man has sprayed
We stupid with foolish face
Illusions hallucinate
Coming with nuisance fades. (How you doin?)
I can't complain, just the usual paper chase
Spit fluid, amazing statements
with music that bangs the pavement
How can take the pain like sewage for stinkin
basements
Your food is tastin tainted
Your crew, they be the greatest?
Is it true, they can't be faded?
If it's true, I came to spray them, slangin tomatoes
We knew that you lay awake
You can not be saved
from a voodoo playing with Satan
the usual crazy patient

[Chorus]

Don't let me fall asleep
Gordy will come for me
He shows up in all my dreams
Chasin and hauntin me
Don't let me fall asleep
Gordy will come for me
He shows up in all my dreams
Chasin and hauntin me
GORDY! GORDY! GORDY! GORDY! GORDY! GORDY!
GORDY! GORDY! GORDY! GORDY! GORDY!

[Verse 5]
