[chorus]

Nobody wants you, they're all gonna laugh at you.  
(laugh at you)  
Cuz in reality, everybody hates your guts. (yeah,  
They  
Hate your guts)  
I never loved you even though i know that you loved  
Me  
Gordy, you're nothing. gordy, you're nothing. gordy,  
You're nothing  
Yeeeeeeaaaaaah

[verse 1]

Nobody loves me, nobody likes me  
Why am i rhymin? ain't nobody gon buy me  
Can't even get nobody  
No woman wants to hold me, i'm lonely. i'm a big  
Nobody  
Nobody smokes with me neither  
Nobody's there to put five or get high off of my own  
Reefer  
Nobody to chill with  
Get tipsy when i get rimy, kill fifths  
Ain't nobody with me  
Ain't got nobody to slide with me  
I got a cut list on twenties, nobody rides with me  
We copin with the loud sounds  
Nobody give a fuck, cuz i'm the nobody around town  
Don't even beef with nobody  
I'm nobody to beef with, e, i got heat with nobody  
Can't even sell yay on my corner  
Fiends wont buy me like they ain't see nobody, guess  
They ain't want him

[chorus]

Nobody wants you, they're all gonna laugh at you.  
(laugh at you)  
Cuz in reality, everybody hates your guts. (yeah,  
They  
Hate your guts)  
I never loved you even though i know that you loved

Me  
Gordy, you're nothing. gordy, you're nothing. gordy,  
You're nothing  
Yeeeeeeaaaaah

[verse 2]

I used to hate myself. i hated everything about me  
I hated everything that breathed around me  
But i'm also the most hated  
When i roll on chrome they so hate it  
Which one of y'all got the most hatred?  
Can't get a record deal. major labels hate me  
I got no sex appeal, that's why no ladies will date  
Me  
Plus lately the daughter of my baby's been kind of  
Crazy  
Sayin she never loved me.. aw bitch quite hating  
I just hit that a week ago  
Then you see me with a chick and you become a hater  
Swing and hit the hoe  
You got too much hate in your heart, i seen this  
Before  
Once the hatin in you starts it just eats at your  
Soul  
Will the hatred in you stop? i think not  
Until you drop all your hater ways, put down the  
Haterade and drink pop  
I classify you as a hate monger  
It makes me wonder if anybody ever told you they  
Loved  
You or hugged ya

[chorus]

Nobody wants you, they're all gonna laugh at you.  
(laugh at you)  
Cuz in reality, everybody hates your guts. (yeah,  
They  
Hate your guts)  
I never loved you even though i know that you loved  
Me  
Gordy, you're nothing. gordy, you're nothing. gordy,  
You're nothing  
Yeeeeeeaaaaah

[verse 3]

I guess i'll never be nothing  
They say nothing from nothing leaves nothing  
I'm blind, i sees nothing  
My mind forsees nothing  
I'm racing, running into nothing  
Trynna make me something, i am nothing

Nothing ever goes my way  
You try fucking me, it's nothing  
The shit you took was nothing any way  
Or maybe i was just never nothing to you  
Like our friendship meant nothing and i never did  
Nothing for you  
Evidently i been nothing since the beginning  
From out the womb until my funeral, i'll be nothing  
I never wanted nothing  
Then again nothing ever wanted me  
Now we are a couple  
Two nothings marry happily  
Untill she divorces me ending it horribly and leaves  
Me with nothing  
It's just so sad to see..  
I'm such a nothing, everybody laughs at me.  
[\*crying\*]

[chorus]  
Nobody wants you, they're all gonna laugh at you.  
(laugh at you)  
Cuz in reality, everybody hates your guts. (yeah,  
They  
Hate your guts)  
I never loved you even though i know that you loved  
Me  
Gordy, you're nothing. gordy, you're nothing. gordy,  
You're nothing
