you try to hide that gorgeous smile
i try to hide mine for a while too
t's time to face the facts
can't get me to relax
i've got to give into you

i'm jumping around
feet can't touch the ground
you got me spinning
so i want you to know
i can't explain what i see
but when you look at me
you got me spinning
maybe i'll just let go

it's almost like we're in the room alone
i know it's corny but it should be known
that when we laugh and stuff
just say we've had enough
i can't hold back because it should be shown

i'm jumping around
feet can't touch the ground
you got me spinning
so i want you to know
i can't explain what i see
but when you look at me
you got me spinning
maybe i'll just let go

and now i'm singing along to the song in the front seat
i know you're taken, no i won't be mistaken
but maybe next week
you'll realize the glint between our eyes is more than
just a thing
and you'll take me as i came to be

i'm jumping around
feet can't touch the ground
you got me spinning
so i want you to know
i can't explain what i see

but when you look at me
you got me spinning
maybe i'll just let go

i'm jumping around
feet can't touch the ground
you got me spinning
so i want you to know
i can't explain what i see
but when you look at me
you got me spinning
maybe i'll just let go
