I found a better life in memories  
Coastal water lines on the sea  
And man it hurts me to do it  
When my life's gone through it all  
And I say I shouldn't, you see right through it all,  
All all all, ohhh

And it's the price we pay when nobody will stay  
For the love we made, it just don't work that way  
Man it hurts me to do it  
When my life's gone through it all  
And I say I shouldn't, you see right through it al,  
All all, ohhh

And it feels like changing fortune, theirs a long way  
Back  
They say that if the clock is right it's a bad time  
Because you crushed our love  
Ohhh  
Ohhh

Bermuda, in the night you dance with me  
I thought that all my friends were over me

And man it hurts me to do it  
When my life's gone through it all  
And I say I shouldn't, you see right through it all,  
All all, ohhohohoho

And it's the price we pay, when nobody will stay  
For the love we made, it just don't work out that way

Man it hurts me to do it  
When my life's gone through it all  
And I say I shouldn't, you see right through it all  
All, oh oh oh

And it feels like changing fortune, theirs a long way  
Back  
They say that if the clock is right it's a bad time  
Because you crushed our love  
Ohohohoh

Ohohohohh

Bermuda, in the night you dance with me  
I thought that all my friends were over me  
Oh Bermuda, I'm alone  
Bermuda, I'm all alone
