We were sittin' up there on your momma's roof  
Talkin' about everything under the moon  
With the smell of honeysuckle and your perfume  
All I could think about was my next move

Oh, but you were so shy, so was I  
Maybe that's why it was so hard to believe  
When you smiled and said to me  
"Are you gonna kiss me or not?"

Are we gonna do this or what?  
I think you know I like you a lot  
But you're about to miss your shot  
"Are you gonna kiss me or not?"

It was the best dang kiss I ever had  
Except for that long one after that  
And I knew if I wanted this thing to last  
Sooner or later I'd have to ask for your hand

So I took a chance  
Bought a wedding band and got down on one knee  
And you smiled and said to me  
"Are you gonna kiss me or not?"

Are we gonna do this or what?  
I think you know I love you a lot  
I think we've got a real good shot  
"Are you gonna kiss me or not?"

So, we planned it all out for the middle of June  
From the wedding cake to the honeymoon  
And your momma cried  
When you walked down the aisle

When the preacher man said "Say I do"  
I did and you did too, then I lifted that veil  
And saw your pretty smile and I said  
"Are you gonna kiss me or not?"

Are we gonna do this or what?

Look at all the love we got  
It ain't never gonna stop  
Are you gonna kiss me or not?"

Yeah baby, I love you a lot  
I really think we've got a shot  
Are you gonna kiss me or not?
