Don't give up the ship
Even when you feel it's sinking
And you don't know what to do
Don't give up your dream
Even though you may be thinking
It never will come true
Life has it's own ideas of how things come about
And if you just hang in there, life is gonna work it out

Help is on the way
From places you don't know about today
From friends you may not have met
Yet
Believe me when I say
I know
Help is on the way

You don't have to know
Where the path you're on is leading
You just have to walk along
Dreaming as you go
Asking for the things you're needing
You never can go wrong
If you have faith that things are happening as they
should
And just believe each step you take is leading you to
something good
Help is on the way
From places you don't know about today
From friends you may not have met
Yet
Believe me when I say
I know
Help is on the way

So open your heart, Open your mind
No matter how you've tried and failed
Tomorrow you could turn and find that

Help is on the way
From places you don't know about today
From friends you may not have met

Yet
Believe me when I say
I know
Help is on the way
Help is on the way
Help is on the way
