Goodnight, don't be afraid  
Sleep tight in my arms,  
I swear, you'll be okay,  
I'll keep you from harm,

Cause I Love you  
And I always will  
And you know I'm gonna be true  
And where ever you lead me,  
I'll be here with you

I know times have been hard,  
Life's treated you bad,  
But baby let down your guard  
Try not to be sad

Cause I promised to stay by your side  
And now that's what I'm gonna do,  
When the others have gone away  
I'll be here with you

I'll be here when the nights grow cold,  
I'll be here when the skies are blue  
I'll be here when we both grow old,  
Here, with you

So goodnight, don't be afraid,  
Sleep safe in my arms,  
Baby, you'll be okay,  
I'll keep you from harm,

And tomorrow, if trouble should come,  
You can count on me to come through  
Because now and for always  
I'll be here with you

Come rain or come shine,  
Through thick and through thin  
For better or worse,  
I'll be here with you..

So goodnight, don't be afraid!
