Welcome to our soiree
Flaming hot pink bouquets
New rainbow Milky Way
Come out and play

Another gay
Another gay
Another gay sunshine day

Another gay sunshine day

Chickens will dance with bears
Wolves prance and walk on air
Reach out and take me there
Come out and play

New sun's rising
New day's a-coming
Darkness breaking
Let's get the ground quaking (let's go)
Heads are bobbing (that's right)
Legs are flip-flopping (Uh-huh)
Booties shaking
Let's get the ground quaking
It's alright, it's okay another gay sunshine day

Another gay

Another gay sunshine day
Another gay
Another gay
Another gay sunshine day
