If you're feeling sad and lonely

There's a service I can render

Tell the one who loves you only

I can be so warm and tender

Call me, don't be afraid, you can call me

Maybe it's late, but just call me

Tell me and I'll be around

When it seems your friends desert you

There's somebody thinking of you

I'm the one who'll never hurt you

Maybe that's because I love you

Call me, don't be afraid, you can call me

Maybe it's late, but just call me

Tell me and I'll be around

Now don't forget me

'Cause if you let me

I will always stay by you

You gotta trust me

That's how it must be

There's so much that I can do

Maybe it's late, but just call me

Call me, don't be afraid, you can call me

Tell me and I'll be around

If you call I'll be right with you

You and I should be together  
Take this love I long to give you

I'll be at your side forever

Call me, don't be afraid, you can call me

Maybe it's late, but just call me

Tell me and I'll be around
