Well it's crying time again  
You're gonna leave me  
I can see that far away look in your eyes  
I can tell by the way you hold me darling uhmm uhmm  
uhhh  
That it won't be long before it's crying time

Now, they say that absent makes the heart grow  
fonder  
And that tears are only rain to make love grow  
Well my love for you could never grow no stronger no  
If i'd live to be a hundred years old

Oh, it's crying time again  
You're gonna leave me  
I can see that far away look in your eyes  
I can tell by the way you hold me darling  
That it wont be long before it's crying time

Now you say you found someone that you love better  
Well that's the way it happened every time before  
And as sure as the sun comes out tomorrow  
Crying time will start  
When you walk out the door

Oh, it's crying time again  
You're gonna leave me  
I can see that far away look in your eyes  
I can tell by the way you hold me darling  
That it wont be long before it's crying time

Now it wont be long before it's crying time

Oooh yeeah
