You came by at two o'clock, you shoulda been by at ten
I said bye at three o'clock and I ain't coming back again

Whoa!
How does that grab you, darlin'?
How does that mess your mind?
How does that grab you darlin'?
This girl is leavin' you behind.

(spoken)
You smart alec tom cat you!

When the sun goes down and the moon comes up
I'm gonna go out and prowl. Oh ya!
Don't come lookin' for your pussy cat,
cause I won't be here no how!

Whoa!
How does that grab you darlin'?
How does that mess your mind?
How does that grab you darlin'?
This girl is leavin' you behind.

Now you ain't nothin' but an old to cat, runnin' around
my house
I'll tell you somethin' you old tom cat... you just lost
your mouse

Whoa!
How does that grab you darlin'?
How does that mess your mind?
How does that grab you darlin'?
This girl is leavin' you behind.

(spoken)
There's more than one way to skin a cat you know.
Prrrrrrr...
Bye Bye
