Love

I get so lost, sometimes
Days pass and this emptiness fills my heart
When I want to run away I drive off in my car
But, whichever way I choose I come back to the place
you are

But, all my instincts - they return
The grand facade so soon will burn
Without a noise - without my pride
I reach out from the inside

In your eyes - the light, the heat
I am complete in your eyes
See the doorways of a thousand churches in your eyes
The resolution of all the fruitless searching
Oh, I see the light and the heat
Oh, I want to be there, complete
I want to touch the light, the heat I see in your eyes

Love

I don't like to see so much pain
So much wasted, and this moment keeps slipping away
I get so tired working so hard for our survival
I look to the time with you to keep me awake and alive

But, all my instincts - they return
The grand facade so soon will burn
Without a noise - without my pride
I reach out from the inside

In your eyes - the light, the heat in your eyes
I am complete in your eyes
See the doorways of a thousand churches in your eyes
The resolution of all the fruitless searching
Oh, I see the light and the heat
Oh, I want to be there, complete
I want to touch the light, the heat I see in your eyes
