Lonely again
No one to love me

You told me that others before you
Were foolish to cause me to cry
And just when I learned to adore you
You kissed one more dream good bye

And left me lonely again
Just like you found me
Lonely again
No arms around me

Just when I'm sure
that my heart is secure
That my teardrops are dried
With the warm glow inside

And this love of mine
Till the end of the line
That's always the time
That I'm lonely again

You told me you wanted me only
And that this time and this love would last
Well, you told me I'd never be lonely
And now, you belong to the past

And I'm so lonely again
Just like you found me
Lonely again
Nobody's arms surround me

Just when I'm sure
that my heart is secure
That my teardrops are dried
With the warm glow inside

And this love of mine
Till the end of the line
That's always the time

That I'm lonely again
