I know I stand in line until you think  
You have the time to spend an evening with me  
And if we go some place to dance  
I know that there's a chance you won't be leaving with  
me  
Then afterwards we drop into a quiet little place  
And have a drink or two  
And then I go and spoil it all  
By saying something stupid like "I love you"

I can see it in your eyes that you despise the same old  
lies  
You heard the night before  
And though it's just a line to you  
For me it's true and never seemed so right before

I practice every day to find some clever lines  
To say to make the meaning come true  
But then I think I'll wait until the evening gets late  
And I'm alone with you  
The time is right, your perfume fills my head  
The stars get red and, oh, the night's so blue  
And then I go and spoil it all  
By saying something stupid like "I love you"

The time is right, your perfume fills my head  
The stars get red and, oh, the night's so blue  
And then I go and spoil it all  
By saying something stupid like "I love you  
I love you - I love you - I love you .... "
