There's no one in this world for me
There's never gonna be

There's no one in this world needs me
There's never gonna be

Yet sometimes in my dreams I hear
Sundown, I miss you sundown
Sundown, I need you sundown
Come on, come on, come on, come on back to me
Come on, come on, come on, come on back to me

I need you sundown, I need you sundown

There's no hands ever reached for me
There's never gonna be
There's no one meant for lonely me
There's never gonna be

Yet sometimes in my dreams I hear
Sundown, I miss you sundown
Sundown, I want you sundown
Come on, come on, come on, come on back to me
Come on, come on, come on, come on back to me

I love you sundown
I love you sundown
I love you sundown
