There's no one in this world for me  
There's never gonna be

There's no one in this world needs me  
There's never gonna be

Yet sometimes in my dreams I hear  
Sundown, I miss you sundown  
Sundown, I need you sundown  
Come on, come on, come on, come on back to me  
Come on, come on, come on, come on back to me

I need you sundown, I need you sundown

There's no hands ever reached for me  
There's never gonna be  
There's no one meant for lonely me  
There's never gonna be  
Yet sometimes in my dreams I hear  
Sundown, I miss you sundown  
Sundown, I want you sundown  
Come on, come on, come on, come on back to me  
Come on, come on, come on, come on back to me

I love you sundown  
I love you sundown  
I love you sundown
