When you said
Yesterday
That it's
Nearly Christmas
What did I want
And I thought
Just love me
Love me, love me
That's what I want
For Christmas

When I walk
Through a room
Let them see you
Need me
Walk through a room
Let them see
You love me
Love me, love me
That's what I want
For Christmas

Anyone can wish
For all the trinkets
In the window
Some can even buy
The things they see
But the presents
That I want
You'll never find
In any window
Bring me love
And bring it
Just for me

When you come home
At night
Take me
In your arms
And hold me
Kiss me

And say you love me
Love me, oh love me
That's what I want
For Christmas

Hold me
Kiss me
That's what I want
For Christmas
