You keep saying, you got something for me  
Something you call love but confess  
You've been messin' where you shouldn't have been  
messin'  
And now someone else is getting all your best

These boots are made for walking  
And that's just what they'll do  
One of these days these boots  
Are gonna walk all over you

Yeah, you keep lyin' when you oughta be truthin'  
And you keep losing when you oughta not bet  
You keep samin' when you oughta be changin'  
Now, what's right is right but you ain't been right yet

These boots are made for walking  
And that's just what they'll do  
One of these days these boots  
Are gonna walk all over you

You keep playin' where you shouldn't be playin'  
And you keep thinkin' that you'll never get burnt  
Ah, I've just found me a brand new box of matches,  
yeah  
And what he knows you ain't had time to learn

These boots are made for walking  
And that's just what they'll do  
One of these days these boots  
Are gonna walk all over you

Are you ready, boots?  
Start walking
