

## Labrinth "Climb On Board"

Visit "[Climb On Board](#)" on [MotoLyrics.com](http://MotoLyrics.com)

Baby, I, I, I'm go-oh-oh-oh-oh-oh-ing somewhere  
I, I don't know-oh-oh-oh-oh-oh  
To another planet, to another destination  
Must be my drink, must be something I took  
But you should climb on board  
Oh-oh-oh-oh-board

Something tells me I'm almost there  
On my trip to outer space  
In the middle of no where

So I say come follow me  
Come follow me, come  
I'll take you to a place I know  
But just before you come follow me  
Come follow me, come  
Just put two three more down the floor

And I'm off into the clouds  
Don't know if I will find my way  
Back down, what a feeling  
And you're dancing no

Baby, I, I, I'm go-oh-oh-oh-oh-oh-ing somewhere  
I, I don't know-oh-oh-oh-oh-oh  
To another planet, to another destination  
Must be my drink, must be something I took  
But you should climb on board  
Oh-oh-oh-oh-board

Something tells me I'm almost there  
(What?)  
Cause I'm out of my head with my lady holding me up  
I told her come follow me  
Come follow me, come  
I'll take you to somewhere I go  
Cause girl if you don't come, come my way  
You might just get left on your own

And I'm off, into the clouds  
Don't know if I will find my way back down  
What a feeling and your dancing no

Baby, I, I, I'm go-oh-oh-oh-oh-oh-ing somewhere  
I, I don't know-oh-oh-oh-oh-oh  
To another planet, to another destination  
Must be my drink, must be something I took  
But you should climb on board  
Oh-oh-oh-oh-oh-board

Now I'll be on, my merry way  
And I hope that you would come on  
For the ride, for the ride  
For the ride, for the ride

Baby, I, I, I'm go-oh-oh-oh-oh-oh-ing somewhere  
I, I don't know-oh-oh-oh-oh-oh  
To another planet, to another destination  
Must be my drink, must be something I took  
But you should climb on board  
Oh-oh-oh-oh-oh-board

Baby, I, I, I'm go-oh-oh-oh-oh-oh-ing somewhere  
I, I don't know-oh-oh-oh-oh-oh  
To another planet, to another destination  
Must be my drink, must be something I took  
But you should climb on board  
Oh-oh-oh-oh-oh-board
