[Labrinth]

Labrinth come in...

Labrinth come in...

Labrinth come in..

Ladies and gentleman

This is something they call

A ground-breaker, breaker...

So let me first apologize

To the shirts and the ties

For your make up

Cause I make you ugly

As soon as it drops

We're on a rampage

Bottles poppin' off

Before you know it

There's rubble and dust

Cuz we be crashing it up

Somebody say

You better run

Yeah!

I predict an earthquake up in here

Say yeah!

I predict an earthquake up in here

Cause we throw bombs on it, throw bombs on it

Just smash something, Just mosh for me

Hey yeah!

We can make an earthquake up in here

Ladies and gentleman

What you're about to witness

Is no illusion

And now, we got the bass banging from here to

Buckingham Palace

They're all moving

Hey Simon, we're f*cking them up

Turning them Syco

Everybody rock

Let's bring the house down to rubble and dust

Cuz we be crashing it up

Somebody say
You better run

Yeah!
I predict an earthquake up in here
Say yeah!
I predict an earthquake up in here
Cause we throw bombs on it, throw bombs on it
Just smash something, just mosh for me
Hey yeah!
We can make an earthquake up in here

I predict an earthquake up in here...
I predict an earthquake in here
Cause we throw bombs on it, throw bombs on it
Just smash something, just mosh for me
We can make an earthquake up in here...
Hey, yeah

[Tinie Tempah]
(Hey, yo, Labrinth)
Yeah, fire, fire
We about to set this place on fire
Without a match or lighter
Don't do girlfriends
One night let's make them, ahh
C-minor, if I want question
OK, gaga, I just phone up their designer
Doing all nighters
No base off, rehearsal a little...
Disturbing london, got the whole city panicking
I be nostradamus
L-L-L-L-Labrinth

Yeah!
I predict an earthquake up in here
Say yeah!
I predict an earthquake up in here
Cause we throw bombs on it, throw bombs on it
Just smash something, just mosh for it
Hey yeah!
We can make an earthquake up in here
Labrinth come in...
