I say the same thing twice I'm awkward when I speak Ain't got the perfect smile don't turn heads on my street Trying to be a superstar like everybody else But being myself is something I do well Whatever you do, do it good Whatever you do, do, do, do, lord, lord, lord Do it good, alright

Express yourself, express yourself, whoa do it See it's not what you look like, when you doing what you doing Express yourself, whoa do it

I don't make the papers, I'm far from ILS (ILS) Ain't got the X-factor, I'm not what they expect But it won't be long before my turn is next, to express Now without you expect See whatever I do, I do it good Do, do, do, do, do, do So whatever you do, do, do, do, lord, lord, lord Do it good,

Express yourself, express yourself, whoa do it See it's not what you look like, when you doing what you doing Express yourself, whoa do it

> Lose my shirt and tie There ain't nothing too high, Show them what you've got (wooooooow) There's nothing wrong with perfect, perfect Now it's your time to shine Express yourself, click your fingers now Express yourself, come on,

See it's not what you look like, when you doing what you doing Express yourself, whoa do it See it's not what you look like, when you doing what you doing Express yourself, come on now, yeah, come on, now, Come on now, yeah, come on, now, Come on now, yeah, come on, now, Come on now, yeah, come on, now.
