Dear, I'm here  
Look at me  
After so many years I'm once again with you  
Now put your hand on my heart

We were free and we were one  
Tonight it's you and me and no one else around  
Come and stay here by my side, and let's fly again

Floating  
We're like shadows in the dark  
Reaching, for some freedom  
Your eyes  
Are still crystals shining bright  
They banished me from heaven  
You gave me light

Lost in time  
I tried to reach you  
I crossed the mists of time, the trip was long and tough  
My love for you took me back to life again

Floating  
We're like shadows in the dark  
Reaching, for some freedom  
Your eyes  
Are still crystals shining bright  
They banned me out of heaven  
You gave me light

Floating  
We're like shadows in the dark  
Reaching, for some freedom  
Your eyes  
Are still crystals shining bright  
They banned me out of heaven  
You gave me light
