So, is this the end?  
Well, I won't forget...  
Time will give me a chance  
To get my revenge.

Oh no, in the heart of kings  
There's no place for love.  
Oh, Kathryn, won't you take my heart?  
Then I'll love no one...

Wherever you may go  
You'll never be alone  
Even beyond the seas  
You'll taste the rage of the king!

No, there is no escape  
From the hate I feel...  
Blood! That's what I need,  
Blood... So sweet to me...

Oh no, in the heart of kings  
There's no place for love.  
Kathryn, won't you come to me?  
... Why you left me alone... ?

Wherever you may go  
You'll never be alone  
Even beyond the seas  
You'll taste the rage of the king!

Wherever you may go  
You'll never be alone  
Even beyond the seas  
You'll taste the rage
