I think I might have said too much  
About a bag of gold  
That I have hiding in the line of my coat  
I think they probably know too much  
About the things I've done  
Cause there all breathing just a little too close  
Vultures are waiting  
There waiting to take me  
But not this time  
Had a taste of the dream  
Come to find it's not as sweet as I thought it would be  
Tv shadows over me  
In the desert of my mind  
Friends like water, hard to find  
Is there no one left to trust  
Vultures circle up above  
Ohhhhhh  
There flying, flying, flying  
Ohhhhhh  
But I won't be dying, dying, dying vulture  
Vulture  
I see them all sniff around, damn I'm stuck  
Cause I'm too tired to get up right now  
They all think I'm dead, so serve me up  
But over my dead body you better try your luck  
Vultures are waiting  
There waiting to take me  
But not this time  
Had a taste of the dream  
Come to find it's not as sweet as I thought it would be  
Tv shadows over me  
In the desert of my mind  
Friends like water, hard to find  
Is there no one left to trust  
Vultures circle up above  
Ohhhhhh  
There flying, flying, flying  
Ohhhhhh  
But I won't be dying, dying, dying  
Ohhhhhh  
There flying, flying, flying  
Ohhhhhh

But I won't be dying, dying, dying vulture  
Ohhh yeah  
Why don't you let me be  
Leave me with what I deserve  
Saying ohhh yeah, yeah  
I'll go on living now  
There's nothing left ohh scavengers  
Give up, give up, ohhh  
Ohhhhh  
Yeahhhh  
I'm not  
I'm not  
Vultures circle up above  
Ohhhh, yeahhh (x2)  
Ohhhh, no no  
Come on, come on, come on yeah  
I wont be dying  
Ohhhh no
