Though it took me by surprise  
One by one I realized  
There was something I could do

I lost my way.  
That's what she said  
Back to the 101  
If we don't know  
Somewhere to go  
Back to the 101

I never said to feel relaxed  
I never said to love me back  
What was I next to you?

In my mind it all goes back  
Lost control of what I had  
All my thoughts left one by one

I lost my way.  
That's what she said  
Back to the 101  
Back to the one  
I never won  
Back to the 101  
I count the one  
I count the one  
I count the one oh one

I know (I count the one)  
I lost (I count the one)  
My way (I count the one oh one)

This time (I count the one)  
We'll find (I count the one)  
A place (I count the one oh one)

I know (I count the one)  
I lost (I count the one)  
My way (I count the one oh one)

This time (I count the one)

We'll find (I count the one)  
A place (I count the one oh one)
