We're gonna take ya way back, ha ha  
I said we're gonna take ya way back [Yeah!]  
Ha, ha  
(Let's start!)  
When the sunrise in the east, lover  
It set deeply in the west  
(Spoken:  
Oh, turn my organ down a-lil' bit so I can croon a lil' bit  
on ya)  
Oh, the sunrise in the east  
It set deeply in the west  
I've been lookin' for my lover  
An' I haven't found her yet  
I'm gonna call up China  
An' see if my woman's over there  
Well, I'm gonna call up China  
An' see if my woman's over there  
You know, I've searched the whole world over, Lord  
I can't find my lover, nowhere (hey-ya)  
She won't write me no letter  
She won't even call me on the telephone  
No, she won't write me no letter  
She won't even call me on the telephone  
You know I haven't had no real good lovin'  
Since that gal-a mine been gone  
(Spoken:  
I can't see my, engineer  
Hey, somebody! (hey, hey)  
Where's Mister ...  
Well, Ooh!)  
Someday baby, hahahaha  
You're gonna want me, like I want you  
Oh, someday baby, you're gonna want me, like I want  
you  
But when you call me long distance, darlin'  
I'll say I have nothing for you to do  
Someday baby, you're gonna want me, like I want you  
Hey, someday baby, you're gonna want me, like I want  
you  
Oh, but when ya call me on the phone, angel  
I'll say I have nothin' for you to do

Woo, thank you!
