Won't you feed me Jack
Won't you feed me Jack

It's not too late to see you smile
It's not too late to stay for a while
Watch all the trees and what they do
And all the leaves they fall on to you

Won't you feed me Jack
Feed me Jack

In my mind It's what we do
Fall asleep and lay on you
Look at all the change we made
All the places we once played

Won't you feed me Jack
Oh, won't you feed me Jack

It's not too late you smile
It's not too late to stay for a while
Watch all the trees and what they do
And all the leaves they fall on to you

Oh, won't you feed Jack
Oh, won't you feed me Jack
Oh, won't you feed Jack
You always feed me Jack
