Dont' you give up and say that your stuck,  
surrounded by foolish things  
Now that you've had,  
all that was bad  
I know now what I must bring,  
to all my friends  
you havn't changed  
you're all still think that  
you won't be fooled by this  
you wont' be fooled by this  
you wont' be fooled by this  
you won't be fooled by this

What' left to say  
I'm on my way  
I don't know what you have said  
I'm not what has all then was said  
I know now that I can change  
and now and then as I close my eyes  
my foolish ways goes, becomes my pride

you won't be fooled by this  
you wont' be fooled by this  
you won't be fooled by this
