If you feeling sad and lonely
There's a service I can render
Tell the one who loves you only
I can be so warm and tender

Call me, don't be afraid you can
Call me, maybe it's late, but just
Call me, tell me and I'll be around

When it seems your friends desert you
There's somebody thinking of you
I'm the one who never hurt you
Maybe that's because I love you

Call me, don't be afraid you can
Call me, maybe it's late, but just
Call me, tell me and I'll be around

Now don't forget me, cause if you let me
I will always stand by you
You got to trust me
That's how it must be
There's so much that I can do

If you go, I'll be right with you
You and I should be together
Take this love along to give you
I'll be at your side forever

Call me, please... call me
Call me, tell me and I'll be around

Call me, don't be afraid you can
Call me, maybe it's late, but just
Call me, tell me and I'll be around

Call me... call me... call me...
