Did I remember to tell you I adore you  
And I am living for you alone?  
Did I remember to say I'm lost without you  
And just how mad about you I've grown?

You were in my arms and that was all I knew  
We were alone, we two, what did I say to you?  
Did I remember to tell you I adore you  
And pray forevermore you're mine?

You were in my arms and that was all I knew  
We were alone, we two, what did I say to you?  
Did I remember to tell you I adore you  
And pray forevermore you're mine?
