You're so late getting home from the office

Did you miss your train?

Where you caught in the rain?

No, don't bother to explain.

Can I fix you a quick martini?

As a matter of fact, I'll have one with you.

For to tell you the truth, I've had quite a day too!

Guess who I saw today, my dear!

I went in town to shop around for something new,

and thought I'd stop and have a bite when I was through.

I looked around for someplace near,

and it occurred to me where I had parked the car,

There is a most attractive French café and bar.

It really wasn't very far.

The waiter showed me to a dark, secluded corner,

And when my eyes became accustomed to the gloom,

I saw two people at the bar who were so much in love,

that even I could spot it clear across the room.

Guess who I saw today, my dear!

I've never been so shocked before.

I headed blindly for the door.

They didn't see me passing through,

Guess who I saw today?

Guess who I saw today?

Guess who I saw today?

I saw you!
