Turn down the lights, turn down the bed
Turn down these voices inside my head
Lay down with me, tell me no lies
Just hold me close, don't patronize - don't patronize me

Chorus: cause I can't make you love me if you don't
You can't make your heart feel something it wont
Here in the dark, in these lonely hours
I will lay down my heart and I'll feel the power
But you wont, no you wont
Cause I can't make you love me, if you don't

I'll close my eyes, then I wont see

The love you don't feel when you're holding me
Morning will come and I'll do what's right
Just give me till then to give up this fight
And I will give up this fight
Chorus: cause I can't make you love me if you don't
You can't make your heart feel something it wont
Here in the dark, in these lonely hours
I will lay down my heart and I'll feel the power
But you wont, no you wont
Cause I can't make you love me, if you don't
