I want to be loved with inspiration  
I want to be loved starting tonight  
Instead of merely holding conversation  
Hold me tight

I want to be kissed until I tingle  
I want to be kissed darling tonight  
Embrace me till our heart beats intermingle  
Wrong or right

I feel like acting my age  
I'm past the stage of merely turtle diving  
I'm in no mood to resist  
And I insist the world owes me a loving  
Darling cant you see

I want to be thrilled by only you, dear  
I want to be thrilled by your caress  
I want to find each dream of mine come true, dear  
I want to be loved
