Of this, I'm more than just sure  
My love will last and endure  
I'll never  
No, I'll never stop loving you

I'll never stop loving you  
Whatever else I may do  
My love for you  
Will live 'til time itself is through

I'll never stop wanting you  
And when forever is through  
My heart will beat  
The way it does each time we meet

The night doesn't question the stars  
That appear in the sky  
So why should I question the stars  
That appear in my eyes

Of this, I'm more than just sure  
My love will last and endure  
I'll never  
No, I'll never stop loving you
