Love me, love me, say, you do  
Let me fly away with you  
For my love is like the wind  
And wild is the wind

Give me more than one caress  
Satisfy this hungriness  
Let the wind blow through your heart  
For wild is the wind

You touch me  
I hear the sound of mandolins  
You kiss me  
With your kiss my life begins

You're spring to me  
All things to me  
You're life itself

Like a leaf clings to a tree  
Oh, my darling, cling to me  
For we're creatures of the wind  
And wild is the wind, the wind  
Wild is my love for you
