Ladies and gentlemen,
Welcome to flight 909
Taking you on a journey
All around the world
With your captains...
Steve Aoki
Lil Jon
Laidback Luke
Are you ready?
Are you ready?
Ready for takeoff

We hit turbulence.

Let's go
What a rush
Yeah!

Attention passengers
This is your captain speaking
I regret to inform you, we might encounter some
turbulence
So when it happens
Put your hands up high
Like you're in a roller-coaster
Initiate emergency procedures
Up up up up up up
Higher higher higher

We hit turbulence, yeah!

Let's go
What a rush
Yeah!
