Centerpiece

(Harry Edison / Jon Hendricks)

The more I'm with you pretty baby

The more I feel my love increase

I'm building all my dreams around you

My happiness will never cease

But nothing's any good without you

Cause baby you're my centrepiece

I buy a house and garden somewhere

Along a country road a piece

A little cottage on the outskirts

Where we can really find release

But nothing's any good without you

Cause baby you're my centrepiece

Sweet baby coming home

Repeat second verse
