(Trio) I was blue and I was always wearing a frown,
because my gal had turned me

down; then we met and you can bet I knew from the
first, you were my love

cause thats when the old gray cloud burst!

My heart really flew the day you caught my eye; I hope
that we two will never

say goodbye-

Clouds of gray have silver linings when they're
reversed; I found your love, and

that's when the old gray cloud burst!

Hey, baby! I'm gonna tell you 'bout your lovin' and your
kissin' and your

huggin' and your sweet turtle dovin' pretty baby; I won't
be satisfied 'til I

hear 'em play "Here comes the Bride"; Listen to me
baby and I don't mean maybe,

listen to my story it's terrifically true! I wanna find a
way to tell you that I

really go for you--I hope you really believe me baby
'cause I certainly do!

'Cause you're thrillin' me, you're really, really thrillin'
when you tell me

that you prob'ly got a kind of crush on me, that moves
me, grooves me,

how devine can one woman be? Oh little darlin' I'm
really fallin'; you got me

goofy and gay, I'm bound to get carried away! Just
think, you're gonna be mine

someday!

Oh, let's spin a little, spark a little, stop a little, park a
little, live

a little, love a little, maybe turtle dove a little; baby;
every time you hold me

so near, nobody loves me like you, dear! Let's stop a
little, tease a little,

prob'ly maybe squeeze a little, try a little, sigh a little,
maybe i can lie a

little bit, gonna tell you the truth I'm gonna love you
and that's it!

'Cause I love you baby, love you baby, love you baby,
love you baby, love you

baby with all my heart! Ooh, listen to me when I tell you
that a lot of little

ladies got away but I know, I know pretty baby I know, I
know pretty baby, I

know you're the one, yes you're the one, I knew it when
I met ya what a break

to get ya!

(Chorus) When it's cloudy and gray and that's the
worst, how do you get that

cloud to burst?

(Hendricks) Ya gotta find a lover, find a lover, find a
lover, find a lover!

(Chorus) When it's silvery under clouds of gray, how ya
gonna chase the gray

away?

(Hendricks) You gotta find a little girl and make her
love you a lot; don't ever

leave--

em sittin, are you're really gonna ruin the plot!

(Sounds easy, does it?)

Light as a breeze through the trees, boy...

(How pleasant was it?)

Pleasant as one summer breeze, boy!

(it's wonderful what a love can do--look at what love
has done for you!)

Weell I'm a lucky lover, a lucky lover, I've got the love
you should discover!

(I was blue and I was always wearing a frown, because
my gal had turned me down;

then we met and you can bet I knew from the first, you
were my love cause that's

when the old gray cloud burst!)

Take a look at me, boy, take another look, take another
look, take another look,

take another good long look at me, love opened my
eyes and now I see!

(Clouds of gray have silver linings when they reverse; I
found your love and

that's when the old gray cloud burst! (That's when the
old gray cloud burst)
