Seems like nowadays
ain't nothin meant to last
One day you've got it all
and then it disappears so fast
Oh and our love
is on and off again
well I know you wanna quit me baby
but a quitter never wins
You walked out on our lovin
while I stayed through thick and thin
After all that we've been through baby
you're gonna tell me it's the end
And oh, our love
is on and off again
Well I know you wanna quit me baby
but a quitter never wins
It seems like nowadays
love's a word that no one means
You said you'd never leave me
and then you up and walked out on me
Oh our love
oh is on and off again
Well I know you wanna quit me baby
but a quitter never wins
Well I know you wanna quit me baby
but a quitter never wins
A quitter never wins
