Angel of mercy, you don't need no golden wing
Angel of mercy, you don't need no golden wing
The way you came to my rescue
Heaven must me watchin' over me
When the shadows fallin'
And the day turns into night
I hear my angel callin'
And I can't wait to see the light
Angel of mercy, you don't need no golden wing
The way you came to my rescue
Heaven must me watchin' over me
Sometimes I get a feelin' like a fever
Coming over me
Just a touch of my angels hand
And I'm right back on my feet
Angel of mercy, you don't need no golden wing
The way you came to my rescue
Heaven must me watchin' over me
Stay with me baby
Come down from the sky
Just like an Angel
Take me to paradise
Angel of mercy, you don't need no golden wing
The way you came to my rescue
Heaven must me watchin' over me
